MP for Birkenhead 1979-2019

Minister for Welfare Reform

Friend of Israel

Campaigner for Social Justice

"I am resigning the whip... the latest example of Labour's leadership becoming a force for antisemitism in British politics... The latest example, from last week, comes after a series of attempts by Jeremy to deny the past statements and actions by him were antisemitic. Britain fought the Second World War to banish these views from our politics, but that superhuman effort and success is now under huge and sustained internal attack."
